
WHAT TO EXPECT

The goals of this discussion group are to:

- 1 . **Revive the style of philosophical debate that thrived during the Golden Age of Philosophy.**
- 2 . **Discuss both classical and contemporary philosophy.**
- 3 . **Learn from one another.**
- 4 . **Encourage the fine art of thinking.**
- 5 . **Interface philosophy and theology.**
- 6 . **Encourage participants to develop their own coherent, defensible philosophies of life.**

WHAT ELSE SHOULD I KNOW?

The discussion leader, Bob Stevens, is unabashedly Christian in his world view. He's really a nice guy, but participants may attack his views at will.

We will encourage robust debate, even if it becomes heated. However, we will insist that such debate focus on issues, rather than persons.
